1. The liability of the carrier in respect of the death of, or injury to, a passenger is limited to the sum of \$300,000 CAD.
2. In no cases shall the carrier's liability exceed the actual loss suffered by the passenger. All claims are subject to proof of amount of loss.
3. The carrier is not liable:
  - (a) In the case of any passenger whose age or mental or physical condition, including pregnancy, presents a risk or hazard, for any damages sustained by that passenger that would not have been sustained but for his/her age or mental or physical condition; or
  - (b) In the case of a pregnant passenger, for any damages in respect of the unborn child of that passenger.

**Liability in the case of destruction or loss of, damage to, or delay of checked and unchecked baggage**

4. The carrier is liable for damages sustained in the case of destruction or loss of, damage to, or delay of checked or unchecked baggage as set out in the following paragraphs:
  - (a) The liability of the carrier is limited to sum of \$500.00 CAD for each passenger in the case of destruction, loss, damage or delay of baggage, whether checked or unchecked. However, the limit will not apply:
    - (i) If it is proved that the damage resulted from an act or omission of the carrier, its servants or agents, done with intent to cause damage or recklessly and with knowledge that damage would probably result; provided that, in case of such act or omission of a servant or agent, it is also proved that such servant or agent was acting within the scope of their employment.

For Explanations of Abbreviations and Symbols See Page 7

- (b) If the carrier proves that the damage was caused or contributed to by the negligence or other wrongful act or omission of the person claiming compensation, or the person from whom he or she derives his or her rights, the carrier shall be wholly or partly exonerated from its liability to the claimant to the extent that such negligence or wrongful act or omission caused or contributed to the damage.

Unless the passenger proves otherwise:

- (i) All baggage checked by the passenger will be considered to be the property of that passenger.
- (ii) A particular piece of baggage, checked or unchecked, will not be considered to be the property of more than one person.
- (iii) Unchecked baggage, including personal items, will be considered to be property of the passenger who is in possession of the baggage at the time of embarkation.

### **Mobility aids**

**Note:** The liability of carrier for substantiated claims involving the loss of, damage to, or delay in delivery of mobility aids, when such items have been accepted as checked baggage or otherwise, is to be based on the cost of the repair or replacement value of the mobility aid.

- (a) The air carrier will immediately provide a suitable temporary replacement without charge;
- (b) If a damaged aid can be repaired, in addition to (a) above, the air carrier will arrange, at its expense, for the prompt and adequate repair of the aid and return it to the passenger as soon as possible;

### **Limitations of Liability**

Except as any applicable laws may otherwise require:

1. The carrier is not liable for destruction, loss, damage or delay of unchecked baggage arising out of or in connection with carriage or other supplementary services to carriage performed by the carrier, unless such damage is caused by the negligence of the carrier. Assistance offered to the passenger by the carrier's employees in loading, unloading or transferring unchecked baggage shall be considered as complimentary service to the passenger. The carrier is not liable for damage to such unchecked baggage incurred during, or, as a result of this service, unless such damage is caused by the negligence of the carrier's employees.

3. The carrier is not liable for destruction, loss, damage or delay of baggage not in the charge of the carrier, including baggage undergoing security inspections or other measures not under the control and direction of the carrier.

Any passenger whose property causes damage to another passenger's baggage or to the property of the carrier will compensate the carrier for all losses and expenses it incurs as a result.
5. When the carrier has exercised reasonable care and attention to the handling and treatment of perishable items or fragile articles, it shall not be liable for spoilage resulting from the delay in delivery of any perishable items described in Rule 4, Conditions of Carriage, nor for the damage to, or damage caused by, fragile articles described in Rule 4, Conditions of Carriage, which are unsuitably packed.

For Explanations of Abbreviations and Symbols See Page 7

6. The carrier may refuse to accept any articles that do not constitute baggage as this term is defined in Rule 4 Conditions of Carriage, but if these articles are delivered to and accepted by the carrier they will be considered to be within the value of the baggage and the carrier's limit of liability.
7. Liability of the carrier for damage will be limited to events on its own line, except in the case of checked baggage, with respect to successive carriage, in which case, the passenger also has a right of action against the first or last carrier involved in the transportation.
8. If the carrier issues a ticket or checks baggage for carriage on another carrier, it does so only as an agent.
9. In the case of unchecked baggage, the carrier is liable only to the extent that the damage resulted from its fault or that of its servants or agents.
10. Any exclusion or limitation of liability of the carrier under this tariff or under the passenger's ticket will apply to agents, servants or representatives of the carrier acting within the scope of their employment and also to any person whose aircraft is used by the carrier and its agents, servants or representatives acting within the scope of their employment.
11. The owner of a pet will be responsible for compliance with all government regulations and restrictions including providing valid health and rabies vaccination certificates when required. The carrier will not be liable for loss or expense due to the passenger's failure to comply with this provision and the carrier will not be responsible if any pet is refused transportation.

### **Time Limitations on Claims and Actions**

  - (b) 21 days from the date on which the baggage should have been placed at the passenger's disposal (in the case of loss).
2. In the case of damage to checked baggage, the passenger must complain to the carrier immediately after discovery of damage, and at the latest, within seven days from receipt of the baggage.

For Explanations of Abbreviations and Symbols See Page 7

3. Any claim against a carrier will be extinguished unless an action is brought within two years reckoned from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date on which the carriage stopped.

### **Overriding Law**

If any provision contained or referred to in the ticket or this tariff is found to be contrary to an applicable law, government regulation, order or requirement, which cannot be waived by agreement of the parties, such provision, to the extent that it is invalid, shall be severed from the ticket or tariff and the remaining provisions shall continue to be of full force and effect.

### **Modification and Waiver**
